

# MAHA SYMPOSIUM INTEGRATIVE MEDICINE & DENTISTRY

**29TH AND 30TH  
OF MAY 2026**

Ljubljana Castle,  
Slovenia,  
Europe

[symposium.maha.clinic](https://symposium.maha.clinic)

[event@maha.clinic](mailto:event@maha.clinic)

**THE MAHA SYMPOSIUM  
BRINGS TOGETHER  
PHYSICIANS, DENTISTS,  
THERAPISTS, AND  
SCIENTISTS WHO  
SHARE A COMMON  
RESPONSIBILITY FOR  
HOW MEDICINE IS  
PRACTICED.**

Following a fully booked first edition, the MAHA Symposium returns for its second edition, continuing a focused dialogue around Integrative Medicine & Dentistry — grounded in diagnostics, biological understanding, and daily clinical practice.

Integration is not achieved alone. It requires shared standards, open dialogue, and the willingness to learn from each other.

Over two days, international experts contribute real cases, diagnostic reasoning, and treatment strategies that focus on understanding causes and improving outcomes. The emphasis is on collective experience rather than individual opinion.

The MAHA Symposium is built on the belief that progress in medicine happens through connection — across disciplines, across perspectives, and across professional roles. Held at Ljubljana Castle, the setting supports focused exchange, reflection, and professional presence.

**Ticket includes:**

- Full access to all MAHA Symposium sessions across both days
- Expo access
- Food and drinks provided throughout the event
- Live concert by “Josip Brass” band of eight professional musicians
- Funicular rides to and from Ljubljana Castle on both days

**THURSDAY, 28.05.2026**  
PRE-SYMPOSIUM GET-  
TOGETHER @ MAHA CLINIC:  
15:00-18:00

Kick off the congress with a relaxed, behind-the-scenes visit to MAHA Clinic. Enjoy snacks and drinks, meet the team, and connect before the congress.

- Clinic tour – insights into our workflows, spaces, and standards
- Live surgery viewing – observe real clinical practice
- Meet & greet – connect with speakers, attendees, exhibitors and the MAHA team
- Badge pick-up – collect your congress badge early and skip the queue at the castle
- Location: MAHA Clinic, Slovenska cesta 54, 1000 Ljubljana | 3rd floor

## FRIDAY, 29.05.2026

### THE SYMPOSIUM

	Welcome & Registration	08:00-08:30
	Opening Words & Main Exhibitor introduction <b>Dr. Sebastjan Perko PhD.</b>	08:30-09:00
	Chronic protein expression from unrecognised jawbone inflammation activates tumour genes – scientific analyses on Integrative Oral Oncology. <b>DDr. Johann Lechner PhD-UCN</b>	09:00-09:45
	Beyond the Smile: How Modern Dentistry Impacts Systemic Health <b>Dr. Sebastjan Perko PhD.</b>	09:45-10:30
	Quantifying the Effect of Intravenous Ozone AHT and PEMF on Osseointegration: A Biostatistical Analysis <b>Prof. Dr. Nataša Kežar</b>	10:30-11:00
	Coffee Break	11:00-11:30
	Biological Dentistry and Ceramic Dental Implants: Bridging Oral Health and Systemic Well-Being <b>Dr. Gregor Hočevár M.Sc.</b>	11:30-12:15
	Biological Dentistry: The Tipping Point in Human Health <b>Dr. med. dent. John Augspurger, NMD, IBDM</b>	12:15-13:00
	Longevity Through Modern Integrative Laboratory Diagnostics <b>Dr. rer. nat. Heiko Hofmann</b>	13:00-13:45

## FRIDAY, 29.05.2026

### THE SYMPOSIUM

	Lunch Break	13:45-14:30
	Enabling longevity through detoxification – leading towards cellular homeostasis by freeing metabolic, immunological and transport pathways <b>Dr. Marcus Stanton</b>	14:30-15:15
	The acid-base balance of the body. Myths and the truth. <b>Dominik Golenhofen, univ.dipl.ing.grad. dipl.hol.ener.med.</b>	15:15-16:00
	Precision Bioengineering: Targeting the Triad of Biological Decay via Peptides <b>Dr. Joel Portugal</b>	16:00-16:45
	Coffee Break	16:45-17:15
	Biological Medicine and the concept of plasticity – a journey from Hippocrates and Ayurveda to modern times <b>Coen van der Kroon, AP</b>	17:15-17:50
	Therapeutic Applications of Linear and Non-Linear Biomarkers in Amyotrophic Lateral Sclerosis (ALS). <b>Dr. Vaidya Ajil Kunhumbidukka Veettil</b>	17:50-18:30
	Dinner	18:30-19:30
	Live Concert with Josip Brass	19:30-22:00

## SATURDAY, 30.05.2026

### THE SYMPOSIUM

---

	Arrival	07:30-08:15
	Dysregulation of Neuroendocrine Immune Function by Environmental Pollutants. <b>Dr. med. Kurt E. Müller</b>	08:15-09:00
	Back to the Future Health using holistic Postural Medicine- a preventive approach to multisystemic inflammatory disease as a part of Modern Biological Medicine <b>Dr. med. Christoph J. Bäumer</b>	09:00-09:45
	Procaine in Regulative Medicine: Neural Therapy and Systemic Infusion Approaches <b>Dr. Ralf Oettmeier</b>	09:45-10:30
	Coffee Break	10:30-11:00
	My experience after nearly 20 years treating Lyme disease <b>Dr. Mariano Bueno</b>	11:00-11:45
	The Secret Weapons of Rejuvenation Medicine <b>Dr. Ana Moreira</b>	11:45-12:30
	Humans at the Heart of Integrative Medicine & Dentistry <b>Allyson Ann Orme BA, MA, HHP</b>	12:30-13:15
	Lunch Break	13:15-14:00

---

## SATURDAY, 30.05.2026

### THE SYMPOSIUM

---

	The Alchemy of Symptoms: Dynamics of Inner Transformation <b>DDr. Matjaž L. Regovec</b>	14:00-14:45
	Uncovering the Root Cause: Trauma as a Missing Link in Illness and Healing <b>Petra Brzović</b>	14:45-16:15
	Coffee Break	16:15-16:45
	From Niche to Mainstream: The Strategic Positioning of Integrative Medicine <b>Zenel Batagelj</b>	16:45-17:15
	Panel Discussion - The Future of Integrative Medicine	17:15-18:00
	Closing Words <b>Dr. Sebastjan Perko PhD.</b>	18:00-18:15

---

The MAHA Symposium is a non-profit project — created to support the medical community and dedicated to spreading education, knowledge, and awareness in the field of integrative medicine and dentistry.
